Your Taxes. Your Choice. Catholic Education - Did you know you can support Catholic education at no extra cost to you? In Ontario, your property taxes include education funding, and you have the right to choose where that support goes. By directing your tax support to Catholic schools, you help strengthen faith-based learning in our community. Whether you own or rent, and whether you have children in school, Catholics can direct their tax support to Catholic education. Your total taxes stay the same, but your choice makes a lasting impact. Choosing Catholic education also allows you to vote for Catholic school board trustees in municipal elections and helps demonstrate strong community support for Catholic schools across Ontario.
